The infographic features a dark blue background with a lighter blue diagonal stripe on the right side. At the top left, there are three circular icons: a hand with droplets, two people with a double-headed arrow, and a building. To the right of these icons is the text 'CORONAVIRUS (COVID-19) IN VICTORIA'. The main title 'ADVICE FOR WEARING FACE MASKS' is written in large, bold, white capital letters. To the right of the title is a circular illustration of a person wearing a light blue face mask. At the bottom left, there is white text providing a website and a phone number. At the bottom right, there are three logos: 'BetterHealth Channel' with an apple icon, the 'VICTORIA State Government' logo, and the 'Health and Human Services' logo.
